LOCAL MAN KILLED IN FALL WHEN TRYING TO BREAK UP STREET FIGHT

One man was dead and three were jailed on disturbing the peace convictions today as the result of a street fight last Thursday night in front of the Italian Cafe, 6653 Mission street.

Harry Thetford, 46, of 562 San Diego avenue, died at Junipero Serra Hospital about two hours after the fight, of a diffused hemmorhage in the frontal lobe of the brain. Police said the brewery truck driver, who leaves a widow and four small children, was knocked to the street when he attempted to intervene in a fight between Vincent Gonzales, of 558 San Diego avenue, and Gonzales' brother-in-law, Sergeant Jose S. Castro, a soldier stationed at Hamilton Field.

Edward Castro, 26, of 558 San Diego avenue, who assertedly accidentally shoved Thetford to the street when he joined him in attempting to stop the fight, was not charged with the death. Pleading guilty to a charge of disturbing the peace, he was sentenced by Judge William J. Sweeney to 60 days in the county jail.

Gonzales and Castro were given 30 days each on similar charges.

POSTHUMOUS AWARD HONORS BARNEY HILTON

Life-long devotion to the maintenance of law and order in Daly City was rewarded last week with the presentation of a gold placque posthumously to the widow of Barney Hilton.

The placque was presented to Mrs. Hilton Friday by Police Chief W. W. Sunderland, who received it Thursday night at a dinner-dance of the Peninsula Police Officers' Association at the Green Hills Country Club in Millbrae.

Signed by officers of the association, the small placque reads, "in grateful recognition of unstinted and invaluable service rendered."

One-time president of the peninsula group and Daly City police chief from 1938-40, Hilton was the oldest man, by length of service, on the police force at the time of his death in 1942.

His 26-year service in the department saw Barney come up from the ranks — from a rookie patrolman to police chief. His career ended as a lieutenant at the age of 68, at which time all policemen on the force, from the chief to the newest patrolman, had been "broken in" by Barney.

Chief Sunderland, given the privilege of presenting the placque, had this to add to his honor:

"The most beloved man the Daly City police force has ever known—able even to win the respect and friendship of the men he jailed—was long, lean and lanky Barney Hilton."

Cemeteries Closed In AFL Strike

Ten San Mateo County cemeteries were closed today and sealed caskets were piling up in San Francisco and county mortuaries as the local cemetery workers' strike went into its 6th day.

Pickets were posted at the entrances to all larger cemeteries in the county, as caskets went back to their respective funeral parlors after church services.

The strike was declared last Saturday, after the AFL union gravediggers and other cemetery workers rejected a final $11.75 per day wage offer and voted 173-8 to strike. The union is asking $12.25 per day, a $1 increase, after scaling down its original demand for $13.

Health authorities said the burial stoppage would not create a health menace for several weeks, although state law requires burial after five days.

The union was granted strike sanction by the San Francisco and San Mateo County central labor councils. The union had been unsuccessfully attempting to negotiate for two months, according to AFL officials, before the offer was made.

Golden Gate National Cemetery in San Bruno and St. John's in San Mateo are not affected.

Major Todd Wins Democrat Support At San Jose Meet

Major Oliver J. Todd, retired Palo Alto engineer, Tuesday night won endorsement by the Eighth Congressional District Democratic party in his race for congressional candidacy.

Approximately 100 spectators, including reprsentatives of labor, farm and Townsend groups, attended the San Jose meeting of San Mateo, Santa Clara, Santa Cruz and San Bernardino county committeemen, but were barred from the conference room when the executives cast their votes.

A motion by Professor Watkinson of Burlingame for support of Jonathan Rowell, Redwood City attorney, was defeated, 11-8. Todd's endorsement, proposed by Harold Bailey, South San Francisco committeeman, was carried 14-5.

Julius F. Castelan of Daly City, chairman of the San Mateo County Democratic Central Committee, said Rowell has indicated he will seek election despite his defeat—probably on an independent ticket

Daly City Nine Loses To Benatar Drug Co., 7-6

Tryout of a new pitcher was given the blame this week for the 7-6 loss incurred by the Daly City Baseball Club last Sunday in a close competition with the Benatar Drug Company, in Marchbank Park.

The Daly City boys came back to score six scattered runs thru the remainder of the game. Buster Hazel hit a home run with none on base, finishing the game with three for three. Niel Pezzola got four for four.

This Sunday the locals play the Portola Merchants in a 2 p. m. game on the Marchbank diamond.

DeSalvatore Wins Heavyweight Class

Nine matches for championships of the Jefferson High School Block "J" benefit boxing tournament ended last Friday night in an uproar, with heavyweight champion George DeSalvatore defeating his opponent, Frank Druhan, in a quick knockout.

DeSalvatore raised his gloved first for a yelling bravo-ing crowd after slamming Druhan into the ropes after 30 seconds of the first round with a powerful right cross to the head.

Fifteen hundred spectators who jammed the gymnasium to capacity cheered loudest and longest for the Gene Cross - Angelo Gianni fight in the 160-175 pound class, which went to Cross by decision. Another match which captured the enthusiasm of the fight crowd was the Henry Hermanson - Carlos Villalobos bout. A mistake in the judging gave the fight to Villalobos, but the decision was later reversed to pin the championship on Hermanson.

Other results:

The bus is to be used on the coast run, from which 55 students now commute. A total of approximately 73 students from the coast are expected to be enrolled next year.

The three buses now running through Bayshore, as well as the one used on the coast run, will be used next year to accommodate students from Bayshore and Brisbane, where a considerable increase is expected.

Crippled Children Fund Drive Going Well, Sec'y Says

First returns on the Easter Seal drive for funds for the Crippled Children's Society of San Mateo County were good, according to Mrs. George Spanne, executive secretary of the society.

The success of El Portal School and the general program of crippled children's work in the county depend largely on the success of the drive, she said.

"While the number of children who are beneficiaries of this county program is small," Mrs. Spanne continued, "the need of these children individually is very great. Their care and schooling may mean the difference between growing to maturity equipped to care for themselves, or becoming lifetime invalids."

Students in all classes showed enthusiasm in their quick comprehension of the dance presented, Miss Schreiber said. Instructions in another dance were begun last week, and will be continued during this Saturday's classes, she stated.

Girls from all elementary schools in this district may enroll in the folk dancing classes by contacting Miss Schreiber during the Saturday morning or afternoon sessions in Room A of the Jefferson High School gymnasium.

BELIEVE LOCAL MAN DROWNED

The United States Coast Guard gave up search last week for any sign of the remains of Charles Thomas of Daly City, believed drowned in the waters between Sausalito and Point Reyes.

Thomas, 38, was reported missing Monday, March 1, after the small commercial fishing boat he was piloting failed to arrive at its destination at Drakes Bay. He was reported to have left Sausalito at 10:55 a. m. February 29, for Drakes Bay, approximately 30 miles distant.

The fishing boat was last seen at 11:45 the same morning, when the man from whom it was rented sighted it passing under the Golden Gate bridge. Thomas was to deliver its cargo to the Paladini Fish Company at Drakes Bay.

Two coast guard planes and three army planes were joined in their search for the craft by three coast guard cutters, which patrolled the stretch of water for three days, finding no trace of the boat or its occupant.

Coast guard authorities said today there was little doubt that Thomas was drowned in the rough bay, which had caused several boats to turn back from their journeys on the day he set out.

Thomas is survived by his wife, Mrs. Cora Thomas, 6836 Mission street, Daly City.

UNANIMOUS VOTE ACCORDED FIRE DEPT. ORDINANCE BY COUNCIL

Mayor Asks Strict Conservation Of Power Supply

The state-wide emergency in electric power conservation was brought to the attention of the Daly City city council this week with two pointed communications —from the governor and from P. G. and E. — requesting strict enforcement of conservation measures.

Pointing out the possible repercussions of an unreplenished power supply, both letters asked that the council exercise its authority on the matter.

Mayor Melford Battye asked that all merchants and home owners take it upon themselves to observe the cautions suggested by the P. G. and E., to prevent official action to force conservation.

DALY CITY LAGS IN RED CROSS FUNDS DRIVE

P. W. Brubaker, county chairman of the 1948 Red Cross fund campaign, reported today that contributions at the end of the first week of the drive total 10 per cent of the $126,000 quota for San Mateo county. Ninety per cent is needed to attain the goal set by the National Red Cross for this county.

Daly City residents are being asked to contribute $2,500 to this worthwhile cause. A check of the first two letters of the alphabet in the files of the Home Service Department of the San Mateo County Chapter reveals that in 1946 and 1947 more than 47 Daly City families of servicemen and veterans were assisted by the Home Service Department; the Motor Corps makes weekly trips to and from Daly City, transporting veterans, servicemen and their families to hospitals and clinics for treatment; the graduate, registered nurses of the Visiting Nursing Service gave skilled nursing care in the home and made 911 visits to Daly City.

These are only a few Red Cross services rendered to Daly City residents through the San Mateo County Chapter, and which will be continued with the contributions received in the 1948 Red Cross fund drive.

To date, total collections in the current Red Cross drive equal approximately $50 within Daly City, and something over $100 in Colma, according to Chairman Arthur J. Bodien.

Of this amount, approximately one-half has been collected in either branch of the Bank of America, and the remainder has come from soliciting on the part of Parent Teacher Association members.

Mrs. Ann Ingersoll, women's chairman of the drive for Daly City, said this week that contributions in the Crocker tract, the only area where women are soliciting, have been generous. However, she said, many residents had already contributed to the San Francisco chapter, not realizing that county funds remain, for the most part, in the district from which they are acquired.

Pete Markovich, Joe Lewkowitz, Ted Hopman and William Sweeney, jr., yesterday added their efforts to the drive. The four will solicit contributions from local merchants in a store-to-store canvass, and expect to cover the entire city within the next two weeks. Largest proceeds are expected to come from this source, according to Bodien.

Mrs. Pauline Brown, Colma drive chairman, said yesterday that that drive is showing fair progress, considering the lack of house-to-house canvassers. Mrs. William Chessman and Mrs. Elizabeth Callan are assisting with the campaign in the Colma bank. Mrs. Vincent Murphy of Broadmoor Village is supervising a series of parties to acquire new Red Cross members.

The much speculated fire department ordinance which had hung in the balance for the past several months was ratified Monday night by unanimous vote of the city council.

In other actions during the Monday night session, the council:

Local Man Saves Woman's Life With Blood Transfusion

A young mother, a patient in a local hospital, includes a Daly City man in her nightly prayers because of his promptness in answering a call from the San Mateo County Blood Bank.

One day recently, William A. Thompson of 246 Los Banos avenue was told that his rare 4-O Rh negative type of blood was needed for a transfusion to be given the young mother.

Thompson, who had been a blood donor at the county bank on five previous occasions to assist the Daly City Lodge of Eagles build up a blood supply there, responded at once. The City Council shall annually, at the beginning of each fiscal year of said City, pay to the Board of Fire Commissioners of said city, for the credit of the Veteran Firemen's Association, the sum of Four Hundred Dollars ($400.00), provided, however, that if in the discretion of the City Council said sum shall be insufficient, the said City Council is hereby empowered to pay such additional sum as shall be deemed necessary for the efficient operation of said Fire Department.

Ordinance numbered 86, 87, 117, 143, 161, 170, 187, 190, 218, 221, 224, 247 and 255, and each and every provision thereof, are hereby expressly repealed, together with all other ordinances of the City of Daly City of any kind or nature whatsoever inconsistent with the provisions of this Ordinance.

Section 12. If any section, subsection, subdivision, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this Ordinance, and the City Council hereby declares that it would have passed this Ordinance and each section, subsection, subdivision, sentence, clause or phrase thereof irrespective of the fact that any one or more sections, subsections, subdivisions, sentences, clauses or phrases be declared unconstitutional.

GOLF
Sylvestri And Markovich Still In Golf Race

Bob Sylvestri remained heavy favorite to capture this year's San Francisco Amateur Golf Tournament Sunday, winning another match in the championship series.

Sylvestri, a finalist in the past two tournaments, shot one over par to defeat Bob Redman four and three. The championship will be no easy mark even for Sylvestri, however. Some stiff competition will be met in the next few matches.

Coming up staunchly as a possible challenger for the title is Daly City's Pete Markovich, who won one up over Charles Eagle in last Sunday's match. Markovich three-putted the first three greens and remained three down after nine; then birdied three of the next four holes to win them all. The local putter shot four over par after the fifth hole, and shot two under the remaining 13 holes for the match.

Arthur Linhares, another local golfer, lost a close match to Martin Stanovich, an ex-Daly City resident, putting himself out of the running.

Dolan Campaign Now Under Way

Councilman Daniel A. Dolan today embarked on his campaign for retention on the City Council of Daly City. Dolan, according to his campaign headquarters, was the past chairman of the board of review for civil service qualifications and in that capacity did much to foster the protection of city employes in civil service.

Daniel A. Dolan is a native Californian with a residence in Daly City exceeding 25 years. He has served on many committees in the furtherance of Daly City municipal affairs. He has done much to forward the progress of our community and because of this was appointed councilman upon the resignation of John E. Craig.

Dolan is a member of the firm of Dolan Building Supply and is a contractor in his own right. He has built many homes in our community, mainly for the benefit of the veterans of the World Wars. His business experience has been of great value during his service on the city council.

Daniel A. Dolan is a member of the Native Sons, The Eagles, the San Mateo County Sheriff's Fosse, the Daly City Merchants Assn., and other fraternal and business groups. He is known as a progressive man, meeting new times with new ideas.

He has supervised the construction of the new Dolan Building Supply store on Mission street next to the Jefferson Union High School grounds. This structure is built as an exemplification of his faith in the future of Daly City.

5-Year-Olds Honored At Party

Bonnie Lee Chapman and Tommie Waldvogel, five-year-old playmates, were feted Monday at a double birthday party given by their mothers, Mrs. Clayton Chapman and Mrs. Arthur Waldvogel, at the Chapman home, 165 Woodrow street.

Blue, white and orange were the color scheme, carried out in streamers which formed a circus top over the party room; in table cloth and napkins, and in bon bon favors.

Highlighting the refreshment table was a cake inscribed to Bonnie Lee and Tommie, in frosting.

The afternoon was spent playing parlor games.

Present to fete the little honorees were Johnny Miller, Shalonn and Sherri Wakehouse, Jimmie and Beverly Hamilton, Phyllis Ann Diltz, Charon Casad and Bruce Leger.

Elsie McGrath Dies Of Cerebral Hemmorhage Tues.

Elsie McGrath, 149 School street, Daly City, died suddenly Tuesday night of a cerebral hemmorhage, at 2135 Mission street, San Francisco. She was 33.

A native of Oklahoma, Mrs. McGrath was employed here as a waitress in Pete's Coffee Shop. She died at 11:30 p. m., approximately 15 minutes after the attack.

Survivors are her sister, Ruby Williams of Daly City, and her mother, Mrs. Rose Dover of Oklahoma.

Funeral services and burial will be in Oklahoma. W. C. Lasswell and Co. is handling arrangements.

Marie Newman Pays Visit To Local C.F.A. Circle

Marie Newman, grand chief companion of Companions of the Forest, was greeted by Robin Hood Circle last month upon her official visit to the group.

The meeting featured also an initiatory ceremony. Several other grand officers from the 17 diverse circles were in attendance.

After the meeting, which was presided over by Chief Companion Dorothy Lambertson, refreshments were served to the assembly.

County Disease Rate Higher Than Last Year

General health in San Mateo county is considerably more marked with disease this year than last, according to the county health bulletin for February, released this week.

Highest degree of illness is caused by influenza, according to the county report, with 624 cases in Redwood City alone. A total of 1,342 influenza cases were reported during the month throughout the county, compared with no cases during February of last year. Daly City reported 109 cases for the month.

A similar ratio of cases was visible in all diseases except syphilis and tuberculosis, which were higher in 1947.

Mumps, which also was high in February, 1947, was concentrated in Daly City, with a total of 127.

SPORTS

By Ralph Capps

Alex Johnson Roofing Company Stretches Lead

Johnson's Roofers added another victory to their lead Tuesday night by dumping the winless Army Hilltoppers 40-19.

The first half was very slow, ending with the Roofers on the long end of a 16-10 score. Wide open and tricky play dominated the second half as Wright and Johnson of the Roofers played the pros, gaining expert support from LaHaye, Cavagnaro, Kronke and Mosman.

Highlight of the game occurred when Capps' shot from the corner went wide and "Long John" Rerescich leaped high into the air to tip the ball back over his head cleanly through the hoop. Three players, all of the Roofing Co., entered the double digit column; Bill Wright scoring 16, Rerescich, 12, and Pat Johnson, handsome son of the sponsor, 11.

Heasly was the top scorer for the Army with 6, and Haskins played his usual good game. The game put the Roofers two wins up on the Colma B.C., Union Liquors, and the Sportsmen, who have each played two games less.

The opening game Tuesday night, between the Warehousemen and San Bruno Lions, was anybody's game right to the end. The lead see-sawed back and forth for the full forty minutes of the game, seldom stretching to more than two points either way. The game's junction found the Warehousemen's Union ahead by two points, and it might well have been the other way around. Sanz lead the victors with 12 points: Jow was high for San Bruno with 10. The final score: Warehousemen, 35 — San Bruno Lions, 33.

Referee McGrath deserved credit for doing a good job in both games. It is impossible for a single "ref" to see every foul, contrary to the opinions of most laymen.

There were no games scheduled last Thursday because of the boxing tournament. The league continues with two games each on Tuesday and Thursday nights, first one starting at 7:20 p. m. as usual. The Roofers' lead will be in jeopardy on Thursday night when they meet the consistant Eagles five led by Don Welsh, Andy Parodi, Bob Rode, Ed Denning and Bill Fischer of Daly City, plus a few boys from the U.S.F. team. With only four weeks of play left in the Jefferson League, it's still anybody's guess who will be on top on April 15 when the last games will be played. The league is expected to go into a playoff to break the probable tie for first place.

Tuesday — S.B. Lions vs. Union Liquor; Army Hilltoppers vs. Sportsmen.

Thursday — V.V.C.C. vs. Colma B.C.; Eagles vs. Ringers.

NEWS FROM THE SCHOOLS

CROCKER

High Fifth

Room three has two baseball teams called the Dodgers and Challengers. These teams are composed of both boys and girls. A record is kept of the scores and there are fifteen points in a series.

High Seventh

High score man in Crocker's basketball game with Woodrow Wilson last Friday night was David Martinez, forward. The score was 35-6 in Crocker's favor. The players were Don Espinosa, forward, Bob Murchison, center, Edward Christianson, guard, Edward Haussler, forward, David Marinez, forward, Dick Hansen, guard, Bill Valentino, guard, James Dowell, forward, and Gary Anderson, forward.

On Saturday morning Crocker defeated Jefferson's B team with a score of 16-38. High point men were Don Espinosa and Bob Murchison.

Low and High Eighth

Maryann Lund, Jean Eliasen, Gertrude Runge and Arleen Pool are working on a mural depicting Colonial life done in colored chalk.

Norman Cady was awarded a medal for first place in the boys' 25-yard free style race at the Call-Bulletin's annual swimming meet.

WOODROW WILSON

The students of the seventh grade are interested in studying the early Phoenicians. The children call these people the "chain-store merchants of old." Indeed, they were similar to our chain stores, establishing the first colonies in the world. Today salesmen go about finding new places to sell their goods, buyers travel to get things not made at home. That is just what the Phoenicians did. Boldly they sailed the ancient seas, even going to Britain to secure tin to make bronze.

The students of the high sixth and low seventh are beginning the study of their unit, The Pacific Area. The sixth and seventh graders are now studying the Eastern Hemisphere and the zones.

The fifth grade boys and girls are studying how to locate places on the earth. They are very interested in the study of hemispheres, zones, latitude and longitude.

The boys and girls of the fourth grade are beginning their study of our next door neighbor, Mexico. The colorful history, the beautiful cities and the present day problems of Mexico will be studied and discussed.

The pupils of the high third grade have begun their new unit—the study of rubber. The children have been thinking about the many articles made of rubber and how important rubber is in our life today.

The high and low third grades are learning about the foods of the world. In the near future we hope to visit many interesting places where they keep or prepare food.

JEFFERSON

Fourth graders at Jefferson Annex won the Thrift Pennant for the week, 58 per cent of the class having made deposits in their bank accounts.

Students of the sixth grade witnessed an excellent showing of the culture and terrain of the Philippine and Hawaiian Islands, during their social studies period. A broad aspect of these Pacific possessions was shown to augment material on the Pacific Area which is the current unit.

The "How and Why" Science Club is an interesting feature in the fifth grade. Judy Graziani and Arthur Hollingsworth, by experiments, showed their classmates that cold water is heavier than hot water. Shirley Sharp and Irene Wilson are next and will present their experiments on "Air."

Seventh graders are delving into their social studies unit, "Asia, Yesterday and Today." A committee composed of Marjorie Clark, Joanne Van Vliet, Marjorie Duncan and Betty Ann Dentone has just completed an interesting chart to show that the highest and lowest elevation in the world is in Asia. In addition, this committee has made another chart, showing that the highest and lowest elevation in continental United States is in our own state of California.

There are 7083 islands and islets in the Philippine group.

The layer of gas that surrounds the earth is called the atmosphere.

News Notes From San Mateo Junior College

Winning the championship of the Northern California Junior College Conference, San Mateo Junior College defeated Stockton twice over the week end, 48-38 and 51-41. The second game was closer than the score indicates, as Stockton led for the first thirty minutes of the game. This week the champion Mateans play in the Northwest Regional basketball tourney at Sacramento against the best junior college teams of the northwest states.

Three San Matean players, Forward Don McCaslin, Center Bud Goodier, and Guard Ed Dalley, gained all-conference basketball honors, with the first two making the first team and Dalley the second. All have played great ball for the jaysee. San Mateo did not lose a home game all season and closed the conference season with a string of fourteen straight victories. Only one conference game was lost all season.

Community Hall of the junior college adult center will present Frank Griffin, who returned recently from his fifth visit to Europe. He will lecture and show color movies of western Europe. Included in his pictures are the invasion beaches of France and Italy as they look today. The public is invited without charge to the program which will be held in the college auditorium March 15 at 7:30 p. m.

Steady practice is going on on the college term play, "State of the Union." The whole campus is being checked for Red Cross donations.

Spring sports of baseball, track, tennis, with crew as a possibility, are being readied for the conference openers.

Cobalt is a metal resembling silver in appearance but with a slight trace of red.

FOLLOW AT SAFE DISTANCE

When following other vehicles, motorists should allow one car length between for every ten miles of speed, advises officials of National Automobile Club's Safety Department. Even under the most favorable conditions, it takes 186 feet to stop a car moving at 50 miles per hour.

Water requires about five times as much heat to raise its temperature a given amount than does an equal weight of rock.

LOOK NO WRINGER!

NEW EASY SPINDRIER
WASHES MORE CLOTHES FASTER

HERE'S HOW

Two tubs work as a team to get your wash on the line in less than one hour. One tub washes a full load while the other rinses and spins a full load damp-dry. Spindrier whirls out up to 25% *more* water than tight-set wringer rolls. Clothes are lighter to handle and dry faster indoors and out. See EASY. It offers more for your washer dollars than ever before. It's your best buy in washers.

PLACE YOUR ORDER NOW FOR QUICKER DELIVERY

Thorough-yet-gentle Spiralator roll-over action washes *all* the clothes in *all* parts of the tub.

Does a good rinse job right in the Spindrier basket. No need for set-tubs.

Faster ironing. No deep-set wringer-creases to slow you up. Won't break buttons or zippers.

Legion Auxiliary To Sponsor Girls' State Delegate

Plans for the sponsorship of a delegate to the Girls' State convention in Sacramento next month were made last week by the local American Legion Auxiliary.

The delegate will be chosen from among Jefferson High School juniors, by a qualifications system. Announcement of the choice and delegate will be made at a later time.

The auxiliary also made plans last week for a pot-luck dinner for adult members of the post and auxiliary at 7 p. m. March 20, in Legion Hall. Lillian Felch heads the dinner committee.

Presbyterian Circle 2 To Have St. Patrick's Day Tea Next Week

Mrs. Leela Frazier, president of Circle No. 2 of the Grace Presbyterian Church, has invited all parishioners and their friends to a St. Patrick's Day tea in the church social hall March 17, from 2 to 4:30 p. m.

A special program of Irish songs, readings and instrumental renditions will highlight the affair, according to Mrs. Frazier.

Average consumption of coffee in the United States is over ten pounds per capita.

Capt. William A. Richardson was the first harbormaster at San Francisco, being appointed in 1837.

DRIVING CHECK HELPFUL

The service that a car requires is very often a definite key to the manner in which it is being operated, declare officials of National Automobile Club's service department. This is not a new idea but it is one that is lost to sight by many car owners much of the time. Because he had to have a new clutch plate installed recently a veteran motorist discovered he had been riding the clutch. He would not have believed it of himself if he hadn't checked up.

AIR CLEANER

Automobile engine efficienc may be seriously affected unles the air cleaner is serviced at reg ular intervals, says the California State Automobile Association.

H.S. Track Team In 'Fair Shape'

Present condition of the Jefferson Union High School track team bodes fair success for the coming spring season, Coach Joseph McGrath said this week.

Practicing for the first track meet this week with Balboa High, the team boasts two unlimited track stars in George and Louie DeSalvatore, as well as a good sprinting prospect, Henry Hermanson.

In the 120 class, McGrath said, Leo Lemmon and Mario Stanghellini will make a good showing, as will Ray Lagomarsino in the 130 division.

McGrath's predictions for the Jefferson-Balboa meet give the middle distances and sprints to Jefferson, with Balboa winning the field events.

Next Wednesday's competition with San Francisco City College should be a good talent comparison, the coach said.

Jeff Varsity To Play First P.A.L. Game April 2

Jefferson High School's varsity baseball team is getting in shape this month for the start of the Peninsula Athletic League series which begins April 2 with Jefferson playing Palo Alto.

The local nine has been victorious in four of its seven practice games played so far. Coach Glenn South says with more batting practice, the boys should show well in the six games to go before the league begins.

Good pitching and good fielding have been responsible for the four wins — against Lick Wilmerding, 10-4; Balboa, 6-0; Lincoln, 2-1, and Lowell, 5-0. The three losses went to the Stanford freshmen, 3-6; Lincoln, 0-4, and Washington High at Centerville, 2-4.

The varsity was to play San Mateo Junior College today and will meet Serra High tomorrow, both on the Jefferson diamond. Next Tuesday the boys will meet Serra at San Mateo; Thursday, Washington at Centerville; Friday, St. Ignatius at Jefferson, and Balboa at Jefferson, toward the end of the month.

Rod And Gun Men See Color Films On Canadian Trout

If you chance to hear a member of the Daly City Rod and Gun Club murmuring nostalgically about the beauties of Canadian trout streams, and the size of Kamloop rainbow trout, don't believe it.

He hasn't been there; he's just longing to go.

The rod and reel boys have been wandering about with their heads in a sort of wild-life heaven ever since last Wednesday night, when they were invited on a Canadian trout tour to catch 18 and 20-pound rainbow trout.

The invitation was extended by Robert Sterns of San Mateo, who made the prospect all the more enticing by showing color films of his past excursions to the north. Sterns makes the tour every spring and summer.

All the trip requires is a 15-day leave from home and business; out-door camping equipment, and $425.

The first annual field day and casting tournament of the club's fishing faction will be held this Sunday on the Jefferson High football field, starting at 10 a. m.

Members will compete for prizes to be awarded for longest casts, accuracy casts, lane casts, aggregate total of five casts and best backlash. The prizes include a Bay City reel, penn reel, 200 yards of line, and dozens of hooks, leaders and sinkers. A trophy will be awarded the members' wives.

Visitors have been invited to gain expert instruction in surf casting.

8 WAYS to Save Electricity in Your Home

Seemingly small savings of electricity in your home today are more important than you may realize. Because every time you let a light burn needlessly or flip a switch and allow an appliance to run idly, it puts additional "load" on electric lines. Your extra use, multiplied by thousands of other homes, adds up tremendously. And at the other end of these lines, a generator must meet that load, using hundreds of gallons of precious water per minute. And because of the prolonged drought and extremely light snow pack in the mountains, the conservation of water is even more vital to the general welfare.

Watch Wasteful Use of Lighting and Save Electricity

1. FLICK OFF... lights when you leave a room.
2. TURN OFF... all lights you don't really need.
3. CHECK FOR... lights burning in unused rooms.
4. IT'S EASY... to forget porch and garage lights.

And Watch Wasteful Use of Appliances Too...

5. BURNED TOAST — Toast that goes up in smoke wastes bread...electricity.
6. RAMBLING RADIOS — Radios left to ramble on without listeners shorten tube life and waste electricity.
7. SIZZLING IRONS — Irons that get "too hot" scorch clothes and waste electricity.
8. WEARY WASHERS — Washing machines that run idly wear out sooner and waste electricity.

A SPECIAL MESSAGE TO BUSINESS MEN:
You can help save the day. The Public Utilities Commission's electric conservation regulations provide for a ten per cent reduction in use by stores, shops, restaurants and all business establishments. Rules prohibit illumination of advertising signs, flood lighting, show window lighting, etc., but we ask you not to stop there. Pull the switch on every circuit not vitally necessary. Cut down load in every part of your plant in the public interest.

REMEMBER – ELECTRICITY SAVED IS WATER CONSERVED!

How we write the "BEST-READ BOOK IN TOWN"

1. Check...check and check again—that's how we guard the accuracy of your telephone book. It's a job for specialists, like those above, skilled in working with masses of names and numbers. Others give new numbers to information operators the morning following installation of a telephone.

2. High-speed binders and trimmers like this are kept busy turning out finished directories. We issue 99 different telephone books on the Coast—a total printing of more than 6,000,000 copies a year. And in addition to the daily lists, completely new directories are printed frequently for information operators.

3. It's always handy—there when you need it. Providing this service is an immense job. For example, the paper we used last year would fill three mile long freight trains. Yet publishing directories is just one of many things we do to furnish the best possible service to the West.

Millions of new working dollars... needed to extend and improve service...must come, not from telephone bills, but from thousands of people who put their savings to work in the telephone business. To attract these working dollars, we must pay a reasonable amount for their use. This depends on the sale of our services at fair and adequate prices.
